Mumbai- 400002.

**Subject: Clarification and Issue Encountered Regarding MGT-7 Filing.**

Dear Sir/Madam,

We wish to bring to your attention a technical issue faced while reporting the details of shares in the MGT-7 under the head "IV. SHARE CAPITAL, DEBENTURES AND OTHER SECURITIES OF THE COMPANY > (i) SHARE CAPITAL > (d) Break-up of paid up share capital converted during the year."

Upon inputting the information related to dematerialization and attempting to save the details in the specified section of the MGT-7 form, the system does not record the changes made. Consequently, after saving, the number of shares at the beginning of the year, mistakenly duplicates as the shares at the end of the year. This issue arises due to the form's limitation in capturing the correct dematerialization data during the filing process.

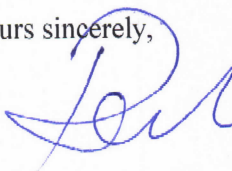

To address this issue, we have reported the shares at the end of the year same as the shares at the beginning of the year.

However, the correct breakdown is as below:

Particulars	Number of shares in phy mode	Number of shares dematerialized mode
At the beginning of the financial year	295,100	2,705,000
+ / - Changes during the year	(6000)	6000
At the end of the financial year	289,100	2,711,000

We kindly request you to take the above on your records with respect to our filing of the MGT-7 form.

Yours sincerely,

**Rikeen Dalal**
